## EXPERIENCE

### IT Support and Graphic Design Intern

BROADCABLE COMMUNICATION INC.

- Provided hardware troubleshooting and basic network support, reducing downtime during daily operations.
- Designed and managed marketing posters and social media content to enhance brand visibility and engagement.
- Coordinated with the marketing team to maintain consistent visual branding across all digital materials.

### Project

HomeHub

- Built a website where users can post reviews and rate boarding houses.
- Used MySQL to store user reviews, ratings, and house details with real-time updates.
- Deployed the website using 000webhost to showcase full web development and deployment.
